

How to create your gift

Please help us to improve and maintain the green canopy of the Sid Valley - it's a great place to live. Whether your gift is large or small, there are several ways of achieving your wish. You may like to discuss this with the Sidmouth Arboretum and we would be happy to do so.

Donate through your will – by using a solicitor - or adding words to your will.

As it costs £350 to plant and maintain a standard tree, you could consider a simple donation. As did Sidmouth resident, Kelvin Dent.

“Donating a tree is a great way to say thank you.”
